ALMIRA R. BOGAYAN

Antipolo City, Rizal | 09054419502 | almirarillon@gmail.com

PROFESSIONAL SUMMARY

Detail-oriented customer support professional with experience in email-based support, CRM tools, and freelance AI evaluation and transcription tasks. Familiar with comparing AI-generated responses through Head-to-Head (H2H) and Side-by-Side (SxS) evaluation, applying task-specific guidelines, and transcribing audio in Filipino/Tagalog and English where assigned. Brings clear written communication, careful instruction-following, and the ability to work independently on remote, guideline-driven tasks.

CORE SKILLS

AI Evaluation and Data Annotation: AI response evaluation; H2H evaluation; SxS evaluation; response comparison and ranking; rubric-based assessment; instruction-following review; relevance and helpfulness assessment, where specified by project criteria.

Audio Transcription and Language: Filipino/Tagalog transcription; English transcription; listening comprehension; written language review; transcription conventions and context awareness.

Quality and Guideline Adherence: attention to detail; consistency with task instructions; quality review; identifying inconsistencies and irrelevant content; following project-specific rubrics.

Customer Support and Communication: email support; customer service; written communication; case handling; CRM documentation; multitasking; time management.

Digital Tools and Remote Work: Bliss; Salesforce; Zendesk; computer proficiency; digital image editing; independent task execution in online work environments.
